Center for Canadian Studies in Iasi

- The Center for Canadian Studies in Iasi was established in 1990, with headquarters, library and a multidisciplinary research team (literature, sociolinguistics, geography, etc.) extremely active, bringing together academics, researchers, masters, francophone doctoral students and English speakers.
- CSC members meet monthly for presentations and conferences organized - at the Faculty of Letters of the University "Alexandru Ioan Cuza" in Iasi or at the CSC - de Groupe de Recherches en Etudes Francophones (GREF), Groupe de Recherches en Etudes Québécoises (GREQ), Department of French Language and Literature, Department of English Language and Literature.
- Over the years, a number of Canadian, French or Romanian personalities (Maurice Lemire, Gilles Dorion, Marthe Faribault, Danielle Forget, Danielle Fournier, Arlette Bouloumié, Patrice Brasseur, Flavia Cosma, Walter) have been invited to Iasi for conferences.

Center for Canadian Studies in Bucharest

- The activity of the centre is addressed to the students of the University of Bucharest, to the high school students from the terminal classes of the bilingual high schools, to the teachers from the pre-university and university education, to the researchers interested in the field of Canadian studies.
- The center is managed by the voluntary activity of interested students, and teachers interested in the teaching and research activity in the field of Canadian studies, without human resources. The center aims to carry out the following activities:
  - Documentation in the area of Canadian culture and civilization
  - Organizing conferences and debates on current issues of Canadian culture and culture research
  - National colloquia
  - -nternational colloquia
  - Cooperation with the Association of Canadianists in Central and Eastern Europe
  - Cooperation with ICCS (International Council for Canadian Studies)
  - Participation in events organized under the auspices of Francophonie
  - Organizing cultural events (theater performances, poetry, etc., watching movies, launching books, etc.)
  - Research in joint teams with ICCS, AIEQ (Association Internationale d'Etudes Québécoises) and Canadian study departments of universities in the country and abroad
  - Organizing a master's program in Canadian studies
  - Supporting students in conducting pre- and postdoctoral studies (summer schools, national and international conferences)

NEURON - Cofound "Network of European funding for Neuroscience research"

- NEURON Cofund "Network of European funding for Neuroscience research" is a project funded under the Horizon 2020 Program for Research and Technological Development of the European Union and is a continuation of the NEURON II project (implemented in 2012-2015 and funded under the Framework Program 7 - FP7)
- Cooperation oriented to:
  - maintaining and developing the working platform for funding agencies and ministries in Europe and outside Europe;
  - providing funding opportunities through joint calls for transnational research projects in the field of neuroscience;
  - developing a vision for creating a strategic cooperation framework, which will include administrative and funding concepts, in order to achieve a sustainable research network in the field of neuroscience;
  - expanding the European network for funding research in the field of neuroscience;
  - supporting young researchers in building a career in research;
  - stimulating a close link between the scientific community and other stakeholders for a better understanding of the needs and new discoveries in neuroscience research.

Other specific cooperation

- Romanian participation in invention competitions organized in Canada
  - Organized by the Toronto International Society of Innovation & Advanced Skills (TISIAS), iCAN is the first international event of inventions and innovative projects ever held in Canada and a celebration of all the achievements of today's talented inventors in many countries.
- Romanian participation in competitions organized in Canada
  - John Molson Undergraduate Case Competition (JMUCC), the most prestigious case study competition in global management. The JMUCC competition took place on February 18-24, 2018 in Montreal, Canada, at Concordia University, John Molson School of Business
- Framework for Cooperation with Canada on Higher Education, Training and Youth (2006-2014)
  - This agreement, in force for a period of eight years, was part of the relationship between the European Union (EU) and Canada.
- Canadian participations in Romanian colloquia
- Romanian studies in Canada
  - At the university level, there are currently no Romanian language and culture courses in Canada,
